Suggestions For Your Safety Off-Campus...

Walking to and from your car...

- Have entry/ignition keys in hand before starting for your car so you're not trying to find them while you walk to the car or standing at the car door.
- Stay alert when crossing the parking lot and watch for suspicious persons.
- If you have a cell phone, have it within easy reach
- Even if your car was locked when you left it, check the interior prior to entry for uninvited guests.
- If a stranger approaches you, continue walking to your car, politely decline requests for money or information. Don't stop walking toward your car.
- If asked for help, offer to call the police or suggest they return to the business. DO NOT offer assistance yourself or allow a stranger to use your cell phone.
- If a situation seems suspicious, look for someone to help you or dial 9-1-1.

While driving...

- Follow established roadways. Use familiar streets, not back roads or "shortcuts".
- Make sure all doors are locked while driving.
- Put purses and/or other valuables out of sight, if possible, or cover item(s) with a towel.
- Stay alert at stop signs and traffic lights. If a stranger approaches your car at a traffic light, drive away.
- Don't leave your car's engine running while you're out of or away from the car.
- If your car breaks down or you have a flat, call for assistance from within your (locked) car and remain inside until help arrives.
- Don't travel to remote areas by yourself.
- Be sure you have plenty of gas before you start a trip.
- Plan your route. Get driving directions from the Internet if necessary.

If you should become involved in an accident:

- At night, drive (if possible) to a lighted area.
- If the occupants of the other car make you uncomfortable, call the police from within your (locked) car and remain inside until the police arrive.
- Jot down the description and license number of the other car while you wait for the police.
